

# Mezze @ thedragonmontgomery

Mezze is more a style of eating than a repertoire of specific dishes. Mezze is an assortment of small dishes served all at once. The word "mezze" means "taste" and/or "snack." Mezze is a big part of the dining experience in Eastern Mediterranean, Middle Eastern, and Arab countries. The concept is very similar to the tapas of Spain but with a Middle Eastern twist. A delicious feast using Turkish, Lebanese and Greek influences. It's a really fun, informal way to eat. So while we have prepared this menu we do encourage you to just tell us what you don't like and let us prepare a bespoke feast for you and your party.
