

COVID-19 PRECAUTION POLICY

In line with the Welsh Government guidelines, we are now able to relax specific restrictions within the hotel.

There is no longer the necessity to wear a mask when moving around the public areas, however we respect your choice if you continue to do so.

Sanitizing points will continue to be available around the hotel, where guests can regularly clean their hands. Specifically, entrances/exits.

We will continue to monitor the health of our staff and any staff member with symptoms, or someone in their household who has symptoms, will self-isolate in line with guidelines. We reserve the right to ask any guest to leave if they are showing signs and symptoms of COVID-19, for the security and protection of other guests and staff.

GUEST BEDROOMS

Servicing – All rooms will be thoroughly cleaned prior to any stay and normal daily servicing is back in operation. However, should any guest prefer housekeeping not to enter the room, then fresh supplies can be left outside the door.

MEALS

Our bar and Bistro are open and operating as normal and there is no longer the need for only six to a table.

Breakfast will be 8.00am-9.30am Guests will be asked to book a preferred time to eat, upon arrival.

Dinner will be served between 6.00pm-8.30pm and guests will be asked to book a table in advance either inside or outdoors.

Drinks from the bar will be available for residents and other customers from 12.00pm to last orders at 11.15pm.
